16.30	Bus transfer to Zurich Airport	In Front of Zimmer Biomet Institute

"All hands on training will be conducted on simulated patients."

"Zimmer Dental Inc. and Biomet 3i, LLC manufacture and distribute products discussed in this course. This course is designed to present a fair and balanced view of all options.

Participants must always be aware of the hazards of using limited knowledge and integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy."
